2 General Information

2.1 GTC for Lectures

Please note that a lecture at the Vienna Motor Symposium can only take place with confirmation of the General Terms and Conditions for Lectures.

Please find the GTC for Lectures [here.](#)

2.2 Participation in the Vienna Motor Symposium

One virtual speaker per lecture is allowed to participate in the Motor Symposium at half price. For a second virtual speaker and any additional co-authors, the applicable participation fee will be charged (optional).

Please note that half-price participation is only possible if you submit your paper and video.

2.3 Free Access to the Motor Symposium Web Platform

Virtual speakers receive free access to the Motor Symposium Web Platform; the applicable participation fee will be charged for on-site participation.

2.4 Motor Symposium Web Platform

Web-based platform with access for all registered participants, (virtual) speakers, students, and media representatives.

On this platform, the following documents will be available to participants from the symposium until the end of October at the latest:

- Short CV including portrait photo of the speakers
- Publication (paper)
- Videos of the virtual speakers
- After the Symposium: recording of the complete lecture programme
- OPTIONAL: Presentation slides

You will receive the login details via email a few days prior to the event.

2.5 CV incl. Photograph

A **CV (incl. a photo) of the speaker(s) in German and English** will be published on the Motor Symposium platform.

CV: maximum 20 lines, a maximum of 1,500 characters

Portrait photo: printable resolution, min. 7 by 9 cm, 300 dpi

You find the template [here.](#)

3 Paper for Publication

The paper will be published in the proceedings of the International Vienna Motor Symposium and on the Motor Symposium platform. A copy of the presentation slides alone is not sufficient.

3.1 Peer Review Process

For the writing of scientific papers (such as dissertations, habilitations, etc. in the university sector), speakers are offered the option of having their papers subjected to a peer review. If this offer is taken up, the speaker agrees that the Wissenschaftliche Gesellschaft für Kraftfahrzeug- und Motorentechnik (WKM) [Scientific Association for Automotive Technology and Engine Technology], will receive this text and evaluate it with two reviews.

3.2 Digital Object Identifier (DOI)

ÖVK as publisher of the proceedings of the International Vienna Motor Symposium, is a member of CROSSREF, the largest DOI registration agency in the world. Participation in CROSSREF (www.crossref.org) ensures that the publication can be found and cited in the long term.

The requirements for awarding DOIs are:

- The paper must comply with the formal specifications of the Motor Symposium.
- The paper must not have already received a DOI from a previous publication.
- The paper must be submitted on time.

“Reference Linking” for citations:

Please also provide the DOI, if available, for citations.

Please find the link to the DOI search here: <https://search.crossref.org/>

3.3 Language

English; abstract in English and German (our translators are pleased to help with the German abstract)

3.4 Format Template / Format Specifications

Format Template

For uniformity, please use the format template you find [here](#).

Every paper will receive a uniform cover sheet in the printed proceedings (anthology) on which the authors (first name (abbr.), surname), the company name(s) and the lecture title are given in English and German.

The second page of the template contains an abstract in **English and German**. Your paper begins on the next page **in English**.

The predefined header and footer as well as the specified margins must be adhered to and kept free of labels, footnotes, etc.

Format Specifications

Font: Arial

Font size for text: 12

Formatting for main headings: 14, bold, underlined

Formatting for subheadings: 12, bold
single line, justified

Pages

The minimum number of pages is **8 pages**, the maximum is **25 pages**.

PDF Format

Please send the paper in PDF format. The paper will not be edited in any way. Only footers and headers will be added. The printing is done in colour in DIN A5 format.

4 Video

Duration of the Video: 20 minutes

Language: English

Please design both the video and the presentation in English language. If you would like to speak in German, please submit a video with English subtitles.

Video Design:

The design of the video is up to you, but we recommend that not only the PowerPoint slides are visible but also the speaker.

Technical Specifications:

Image size Full HD (1920 x 1080 pixels)

MP4 file format (data rate approx. 15 Mbit / s)

Sound well levelled (between -6db and -3db)
