

CALL FOR PAPERS

43rd International Vienna Motor Symposium
27 - 29 April 2022, Hofburg Vienna

We cordially invite you to submit lecture proposals referring to the following main topics:

- Innovative ICEs / Hybrid Powertrains
- Electric Drive Systems and Power Electronics
- Fuel Cells, Hydrogen and Hydrogen Infrastructure
- Sustainable Fuels (E-Fuels or Refuels)
- Energy Storage Technologies / New Battery Technologies
- GHG Reduction and Legislation / Life Cycle Considerations
- Exhaust Emission Control to Meet Euro 7 Legislation
- Autonomous Driving / Connectivity
- Cross-Company Cooperations
- Development Methods / Road to Rig

Please kindly send your proposals **by 30 September 2021** with the following information to info@oevk.at:

- lecture title in English and German
- complete names of authors incl. academic titles, company name and location
- abstract of 10–15 lines for general information

Furthermore, please note that we can only accept papers which are **not published before** the date of the symposium in April 2022.

We will inform you in **November 2021** if it was possible to include your lecture proposals in the programme.

Lecture duration is 20 minutes followed by 10 minutes discussion.

For printing the conference papers, we need the text version of the lecture for publication **by 31 January 2022**.

DEADLINES:

- Submission of lecture proposals:
by 30 September 2021
- Notification of authors:
November 2021
- Submission of manuscripts for publication:
by 31 January 2022
