

CALL FOR PAPERS

We cordially invite you to submit lecture proposals referring to the following main topics for next year's **40th International Vienna Motor Symposium**:

- Latest Results in Worldwide Engine and Powertrain Development
- Fuel Cell, Hydrogen and Infrastructure
- Renewable Fuels
- Drivetrain Electrification / Hybrid Technology
- CO₂ Reduction and Fleet Consumption
- Exhaust Emission Control and New Legislation
- Autonomous Driving / Connectivity

Please kindly send your proposals as soon as possible – **by 30 September 2018 at the latest** – with the following information to info@oevk.at:

- exact title of the paper in English and German language
- complete names of authors incl. academic titles, company name and location
- abstract of 10–15 lines for general information

Furthermore, please note that we can only accept papers which are **not published before** the date of the symposium.

We will inform you **early November 2018** if we could include your lecture proposals in the programme.

Lecture duration is 20 minutes followed by 10 minutes discussion. Simultaneous translation English/German and German/English is provided.

For printing the conference papers, we need the complete version of the lecture, including pictures and drawings **by 21 January 2019**.

We are looking forward to your lecture proposals.
